

WHAT YOU NEED

Basketball

- A spherical ball made of leather, composite, or rubber. Standard size 7 for men (29.5 inches) and size 6 for women (28.5 inches).
- Designed for dribbling, shooting, and passing.
- The basketball's design balances durability, grip, and responsiveness, making it suitable for high-speed, high-impact play across various surfaces.

The Outfit

The basketball outfit is specifically designed for comfort, performance, and freedom of movement during high-intensity games.

Jersey (Tank Top):

- Sleeveless to allow for a full range of arm motion during shooting, passing, and dribbling.
- Features the player's number on the front and back, and often includes team colors, logos, and sponsor branding.

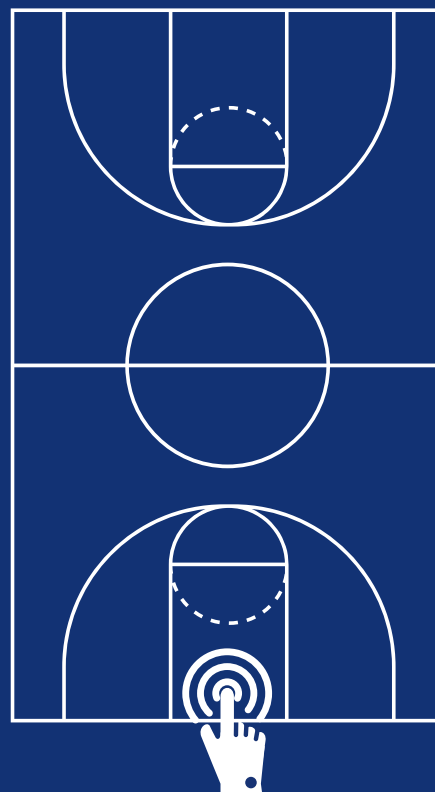

Shorts

- Knee-length or slightly shorter, with elastic waistbands and adjustable drawstrings for a secure fit.

Shoes

- Basketball shoes are designed with three primary features: traction, cushioning, and ankle support.
- Soles: Made of non-marking rubber for superior grip on hardwood courts.
