

# BEACH VOLLEYBALL

## WHAT YOU NEED

### Beach Volleyball

- A high-quality beach volleyball should meet official size and weight standards and be designed for outdoor play.

### Court

- A beach volleyball court measures 16 meters (52.5 feet) in length and 8 meters (26.2 feet) in width, surrounded by a free zone of at least 3 meters (9.8 feet).

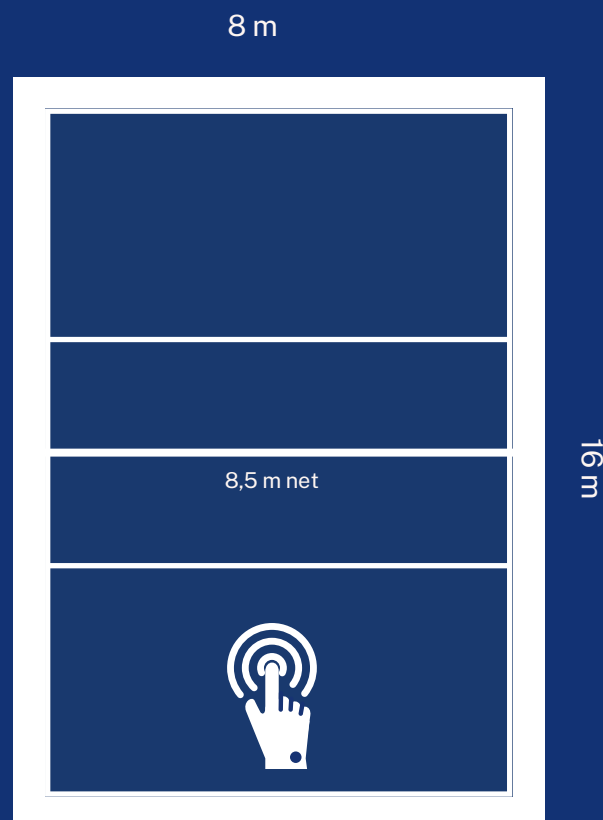

### Net

- The net must be 8.5 meters (27.9 feet) long and 1 meter (3.3 feet) wide, with adjustable heights for men, women, and mixed games.

### Sand

- The sand should be at least 40 cm (15.7 inches) deep and consist of fine, dust-free grains to ensure safety and comfort.
