

WHAT YOU NEED

Basketball

- A unique size 6 basketball with the weight of a size 7 ball.
- Designed for easier handling and quick gameplay.

Half-Court Setup

- Played on a half-court with a single hoop. The court dimensions are 15m x 11m, with a three-point arc and a free-throw line.

Shot Clock

- A 12-second shot clock for fast-paced play, shorter than the 24-second clock in traditional basketball.

The Outfit

- The 3x3 basketball outfit is similar to traditional basketball uniforms but often designed for outdoor play and intense heat conditions.
